Nerf Gun War!!

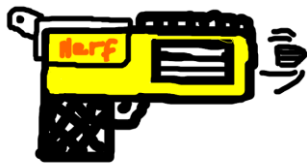

Saturday February 3rd, 2018

6:00 PM - 7:30 PM

Bring your Nerf guns and required eye-protection for an awesome time. The school will be transformed into a battlefield with obstacles and barricades to protect your troops. After the battles, we will serve up refreshments and snacks for all. Students may bring all the guests they want, however, your guest must have a permission slip completely filled out and signed by their parents.

Pick up the slips at the front desk or you can find them on our website (www.ftkd.com). This event is for children 12 and under.

This is a FREE event for all, so make plans to be here.
